

Rating Technician

Underwriting Department

Reports to the Manager and Senior Vice President, Underwriting

Job Description

The Underwriter Rating Technician position provides an exciting opportunity for a highly motivated individual to begin their career at a successful, well established, Alaska based company. Through on-the-job training, Rating Technicians learn how to accurately develop premium and maintain policy records for multiple lines of commercial insurance, including workers compensation, property, liability and auto.

Company Profile

Alaska National Insurance Company is a multi-line commercial insurer servicing businesses in the western United States for over three decades. We provide businesses with financially secure protection from risk, supported by the highest quality in customized policyholder services. We offer career paths in Underwriting, Claims, Loss Control, Audit, Assigned Risk, Information Technology, Accounting and Administration. Alaska National is a financially "A" rated company with over 200 employees in Anchorage, Seattle, Walnut Creek, San Francisco and Boise.

Alaska National Insurance Company provides a strong benefits program which includes 401(k) program, and profit sharing. We provide medical, dental, vision, life and disability insurance, as well as paid leave and holidays.
